### **Terms and Conditions for monthly payments**

You can only sign up during July. The first payment for the Autumn Term is due in the **July**. You set the standing order up with your bank in person or via Internet banking. You don't have to worry about fees any more. The same amount will be taken from your bank account each month.

If you set up a standing order later than this, payments already due must be made with the first payment.

Payments for the academic year 2020 – 21 will start by 14<sup>th</sup> July 2020, and the year finishes on 14<sup>th</sup> June 2021. Parents will then be invited to sign up for a further 12 months.

Should a standing order be returned unpaid, an administration charge of £30 will become payable, and you will be required to make up the payment within 7 days. Payments made after 14<sup>th</sup> of each month are subject to a £20 late payment fee.

Should more than two standing order payments be returned within the same year, you will forfeit your right to use the scheme and will be required to bring your account up to date immediately.

The payment scheme does not roll forward to the next academic year.

**Please contact the school if you require more details.**
